CHECKPOINT YOUR RELIABLE PARTNER

Checkpoint is a global leader for integrated system solutions along the entire supply chain, from anti-theft through the tracing, identification and labeling of goods to sales promotion.

We work with retailers and their suppliers to develop targeted solutions for problems while offering new

opportunities. Checkpoint helps to reduce shrinkage and improve the shelf availability of merchandise while making it possible to use real-time data to optimise operational processes. We can look back on more than 40 years of experience. System solutions and services for merchandise security from Checkpoint comprise

- High-tech electronic article surveillance (EAS) systems based on the leading radio frequency (RF) and electromagnetic (EM) technologies
- Source tagging: Application of security tags directly in the course of the manufacturing process
- A uniquely broad selection of tags for securing virtually any type of article

- Solutions for products which are at particular risk of theft
- Comprehensive range of accessories relating to article surveillance and presentation
- Software to improve central retail functions

Checkpoint is active around the globe, with sales offices in more than 30 countries. Thanks to our extensive network, we are able to offer labeling and security systems, from production through to the end consumer, around the globe and in any scope desired.

EXCELLENT MERCHANDISE IDENTIFICATION AND LABELING METO – CHECKPOINT'S HIGH-POWERED BRAND

Checkpoint offers the global retail, service and industrial sectors a broad spectrum of innovative, practical and highly efficient solutions under the METO brand name. These solutions break down into three core areas:

■ **Let us know your needs.**

We are sure to come up with the perfect solution.

METO has been pioneering new ideas and innovative solutions for retailers for over 50 years now. Our ideas are tailored precisely to the needs of the retail sector and play a role in changing the shape of the market. We have developed numerous sales promotion solutions which have since become integral parts of the standard retail set-up.

METO invented the first hand labeler. The PromoSign price cassettes and poster writing kits also bear our name. Many other patented solutions which will be familiar to you from everyday use are products from our company. We are always looking for ways to make our products even more flexible and easier to use, so that we can meet the needs of retailers.

The METO guarantee

- Customised sales solutions to satisfy your requirements
- Full service from initial planning through to installation
- Comprehensive product range
- Sound, professional advice
- Decades of experience in the retail trade

Since the beginning of 2006, Checkpoint has employed a distribution system consisting of independent franchise partners to supply regional customers with products belonging to the METO brand. National and global customers receive direct support from our experienced sales personnel.

ESL FIXING SOLUTIONS

Adapter plate, large

Application: Adapter plate for Electronic Shelf Label 4.4 and 7.4. Simply click the plate onto the label and attach to the shelf with METO shelf accessories. Integrated slot for customized crowners (left and right and top).

METO®, a business unit of Checkpoint®, offers the global retail sector a great variety of innovative and highly cost-efficient labeling and sales promotion solutions. These include in-store communication and advertising, shelf management, merchandise identification and labeling and shopping convenience.

Over the past 50 years, METO has invented an ongoing succession of sales promotion and merchandise labeling solutions which define today's standard practice in the retail sector. METO develops solutions which are easy to handle and set up. As such, these solutions meet the requirements of a retail sector which faces constant change and which operates according to the motto: time is money. Solutions from METO help to ensure effective communications in all areas, from pricing through advertising to information on product origin, use-by dates or other details which play a role the sale of merchandise.

METO combines quality with durability and inspires retailers to communicate with their customers in an effective manner.

METO's success is due in part to its close cooperation with retailers, service providers and industry. These partnerships enable us to continue developing innovative concepts for our customers.
