Peg Hook Secure Stop

ALPHA®
High Theft Solutions

Available in three sizes:
5mm, 6mm and 7mm

Built-in tab makes removal
quick and easy

Covered hinge is protected
from tampering

Alpha's Peg Hook Secure Stop offers both security and flexibility for peg hooked merchandise. The small, durable tag allows retailers to both protect and openly merchandise product on a single hook, helping prevent a sweeping situation.

KEY FEATURES:

- Combines security and open merchandising
- Flexibility — customer controls merchandise that is available
- Fits on most single rod peg hooks
- Secure and durable — protected hinge is resistant to attack

SUGGESTED APPLICATIONS:

Peg hooked merchandise
