

MERCHANDISE AVAILABILITY SOLUTIONS

iS AUTOPEG TAG

*Secure protection for hanging items
with a one-step, pinless tag*

iS AUTOPEG TAG

Pinless protection – with a high level of theft deterrence

Q

How can I protect my merchandise with an easy-to-apply solution that will not affect the branding?

A

The Checkpoint iS AutoPeg Tag is an anti-theft solution and a natural fit for high-risk items displayed on peg hooks. This solution snaps quickly and safely on single- or double-hole packaging and can be easily removed at POS for reuse.

- ✓ **LIGHTWEIGHT AND STRONG**
Pinless one-piece design is safe and effective
- ✓ **ONE-CLICK LOCKING MECHANISM**
Easy attachment on single- or double-hole packages
- ✓ **QUICKLY REMOVABLE AT POS**
Works with all detachers, including S3 key
- ✓ **PRESERVES PRODUCT BRANDING**
Minimal interference with package content
- ✓ **RUGGED AND REUSABLE**
Difficult to defeat with common tools; retains its effectiveness even after repeated use
- ✓ **RFID UPGRADABLE**
For inventory visibility
